Sorcerer Hunters™

Go west, young sorcerers! Carrot, Tira, Chocolat, Marron and Gateau set out on a new mission to punish the sorceress living in the "old west" town of Tamales. But in order to get to her, they must first duel against Lendoll, a magician and the fastest gunslinger in the west. The Sorcerer Hunters have strong magic, but they're fighting on Lendoll's turf now—and Tamales isn't big enough for the both of them!

爆れハンター9

Our Story So Far:

Far, far away in the land of Spoolner, terrible, cruel Sorcerers enslave defenseless Parsoners with their evil enchantments, and only one man can end the darkness! Well, actually, there are three men and two women. And those five are kinda helped by a goddess, her magical knights, and past generations of warriors. But still, you get the point—the odds are against justice in this wicked wizard world, where spirit-stealing spellcasters and nefarious necromancers are out to oppress the innocent.

In the last volume, the Sorcerer Hunters discovered life after Lord Zacher is far from easy, as their next assignment pitted them against a magic carpenter whose latest creation was destroying Crater Island and killing its denizens. But as mad as this doctor was, he was no match for our leather-clad dominatrix heroines and the God of Destruction!

HUH?

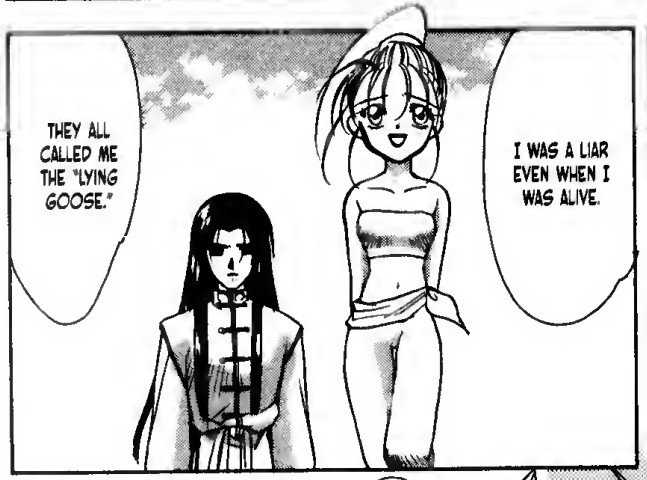
A FESTIVAL DAY WAS THE REASON I DIED.



THEY ALL CALLED ME THE "LYING GOOSE."

I WAS A LIAR EVEN WHEN I WAS ALIVE.

ALL BECAUSE I WAS A LIAR.

OWWIE!!
YOU'RE A BAD BOY!!
OWWW!!

COULDN'T YOU HAVE LIED FOR ME?!

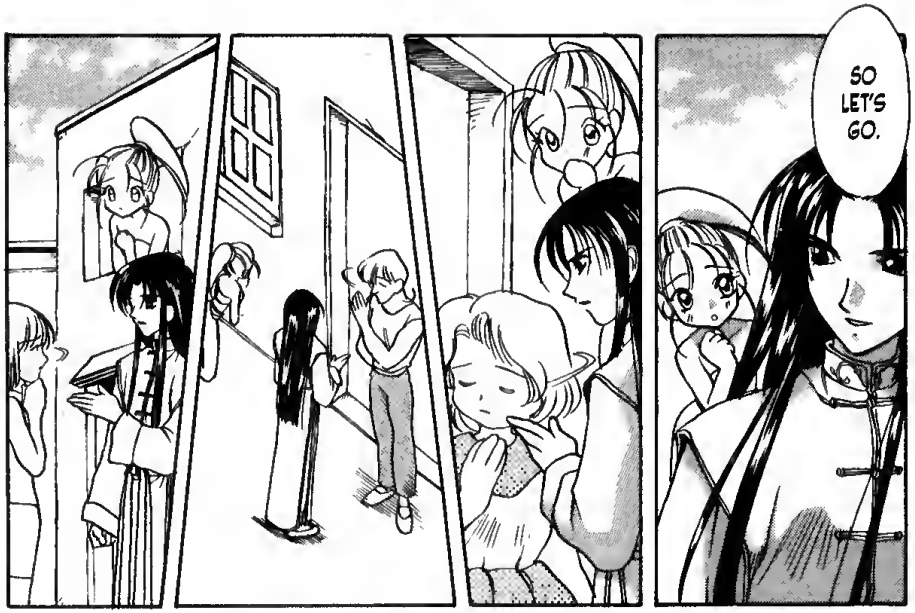
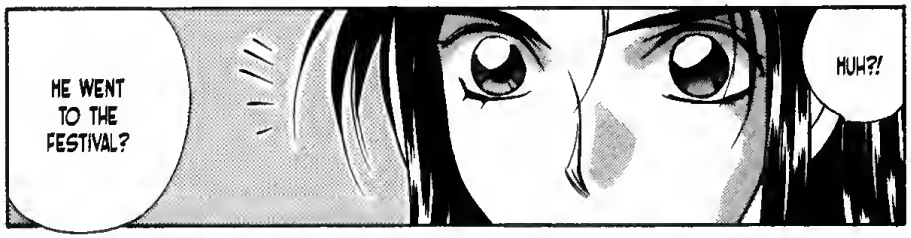
B-BUT...
BUT...
AH WELL... IT'S JUST AS WELL...
SHE CAN ALWAYS TELL IF YOU'RE LYING ANYWAY.
YOU SIMPLY CAN'T TELL LIES.

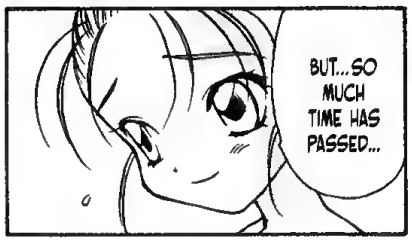


SO LET'S GO.

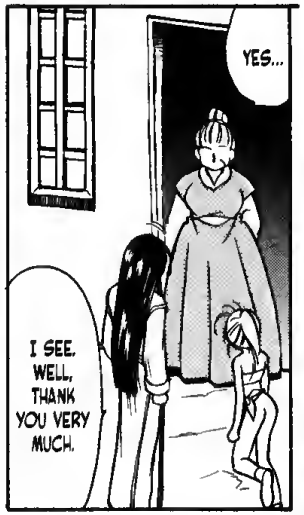


HUH?!
HE WENT TO THE FESTIVAL?

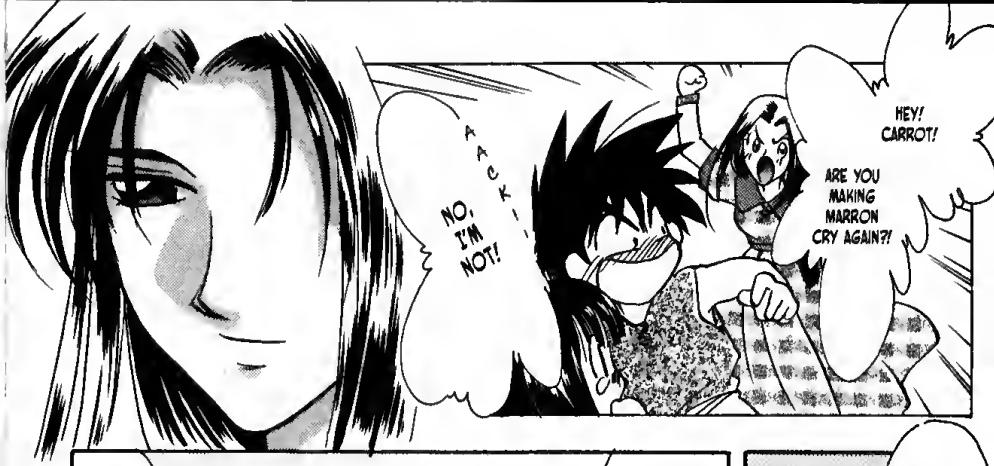
WE'VE FINALLY FOUND HIM.



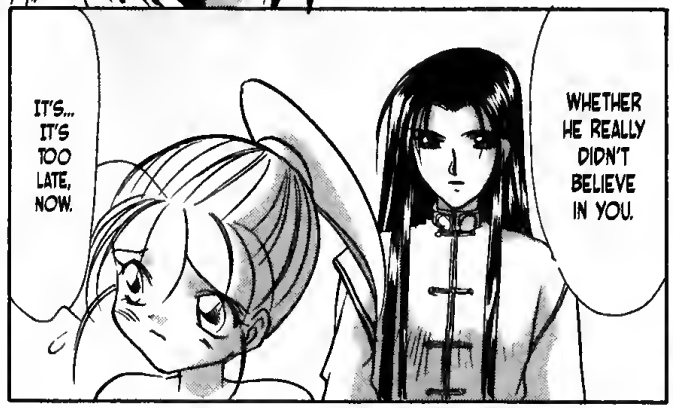
BUT...SO MUCH TIME HAS PASSED...



YES...
I SEE. WELL, THANK YOU VERY MUCH.



HEY! CARROT!
ARE YOU MAKING MARRON CRY AGAIN?!
AACK!
NO, I'M NOT!



WHETHER HE REALLY DIDN'T BELIEVE IN YOU.
IT'S... IT'S TOO LATE, NOW.

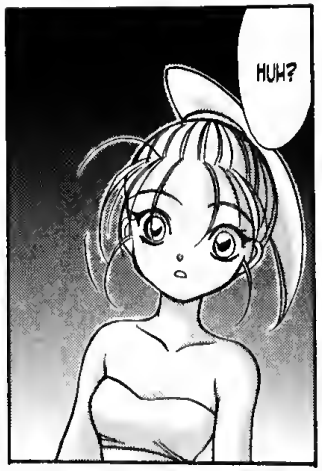
LET'S FIND OUT.
HUH?

HUH?

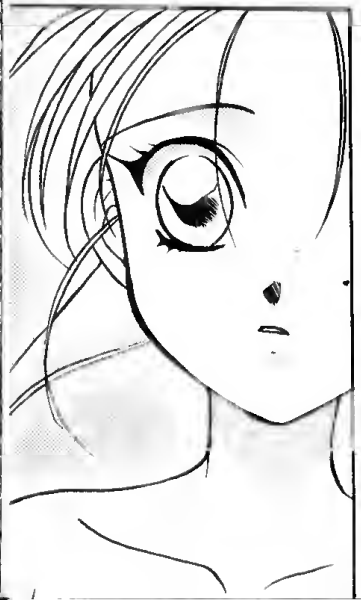
EVEN IF YOU'RE NORMALLY A LIAR...
...PEOPLE CAN TELL WHEN SOMEONE'S REALLY TELLING THE TRUTH.

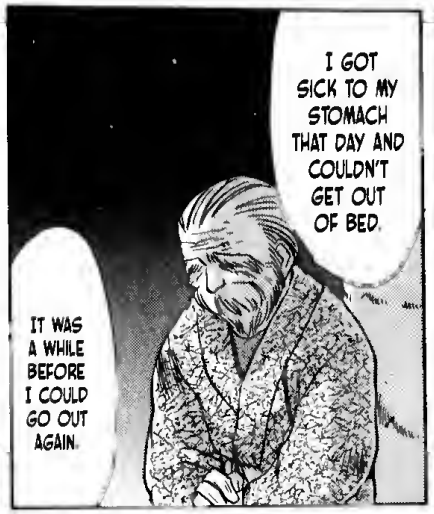
... TO PAY MY RESPECTS.
I COME TO THE FESTIVAL EVERY YEAR...

I WASN'T ABLE TO KEEP MY PROMISE TO A GIRL... AND, BECAUSE OF IT, SOMETHING TERRIBLE HAPPENED TO HER...
IT HAPPENED SO LONG AGO...



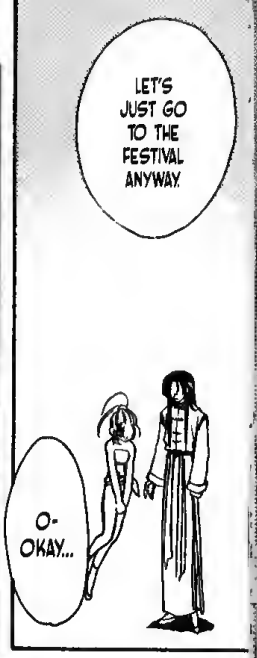
HUH?



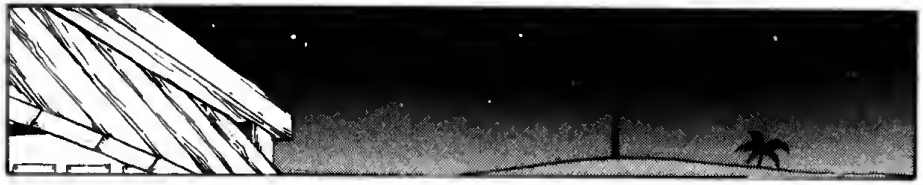


I GOT SICK TO MY STOMACH THAT DAY AND COULDN'T GET OUT OF BED.
IT WAS A WHILE BEFORE I COULD GO OUT AGAIN.

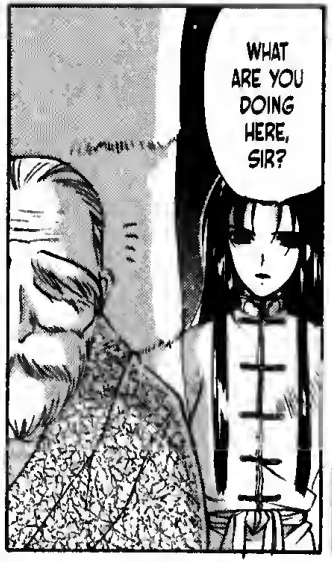
.....



LET'S JUST GO TO THE FESTIVAL ANYWAY.
O-OKAY...

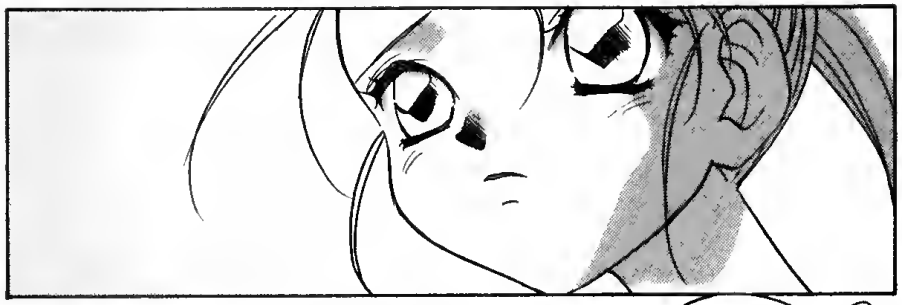


HMM? OH...

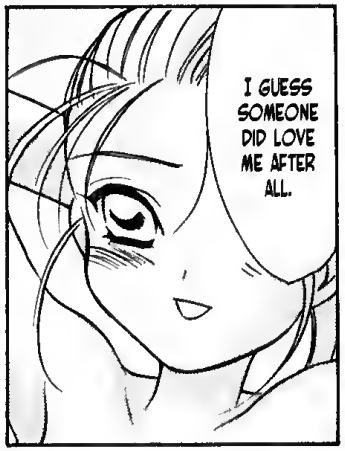


WHAT ARE YOU DOING HERE, SIR?

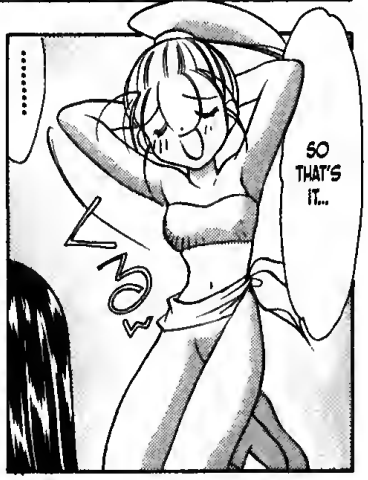
YES. YES, I DID.



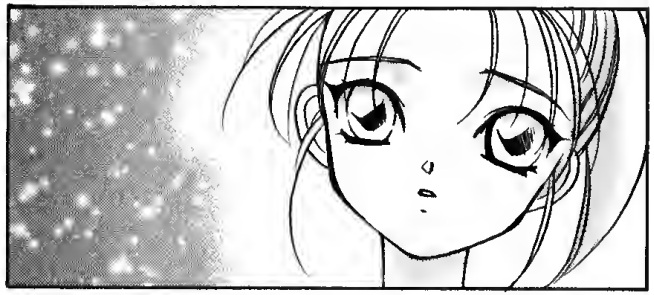
IT APPEARS SO.

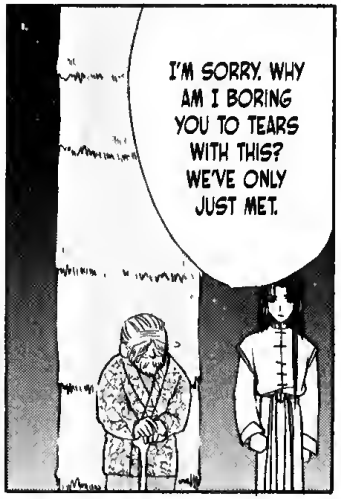


I GUESS SOMEONE DID LOVE ME AFTER ALL.



.....
SO THAT'S IT...



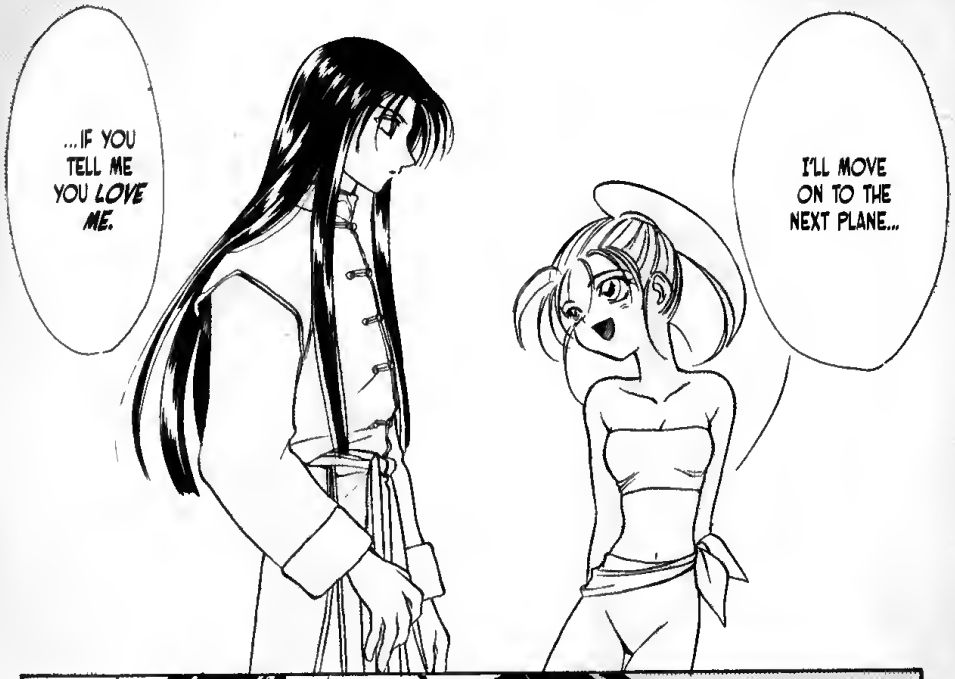


I'M SORRY. WHY AM I BORING YOU TO TEARS WITH THIS? WE'VE ONLY JUST MET.

WHEN I FINALLY COULD GET UP...SH-SHE...

DID YOU LOVE HER?

DON'T MIND ME. IT'S AN OLD STORY.
COULD YOU TELL ME ONE THING?

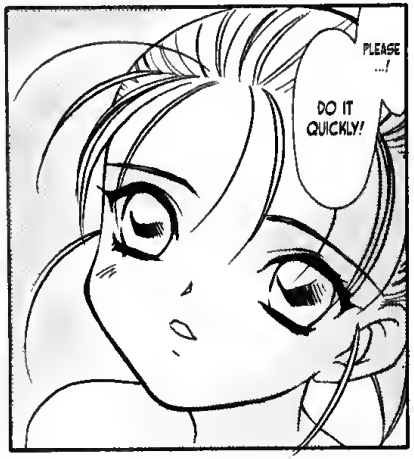


...IF YOU TELL ME YOU *LOVE ME.*
I'LL MOVE ON TO THE NEXT PLANE...

ERM...

.....

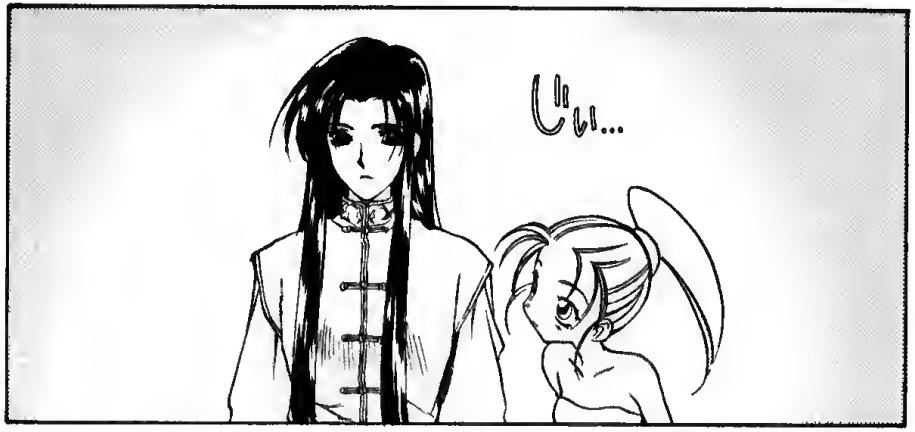
.....



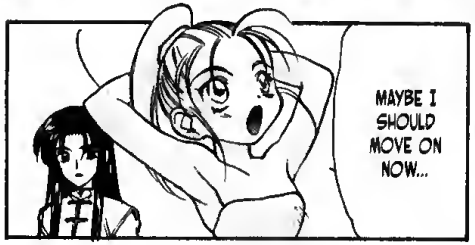
PLEASE ...!
DO IT QUICKLY!

UH... WELL... I'M NOT SURE.

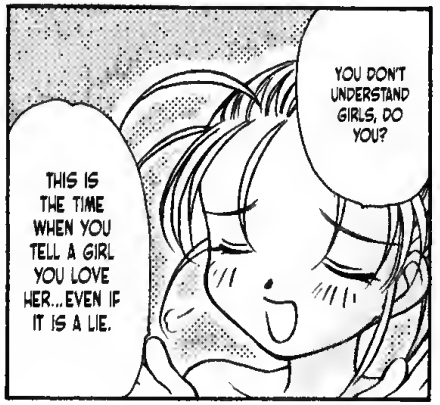
MARRON...WHY DID YOU DO ALL THIS FOR ME?



Uu...

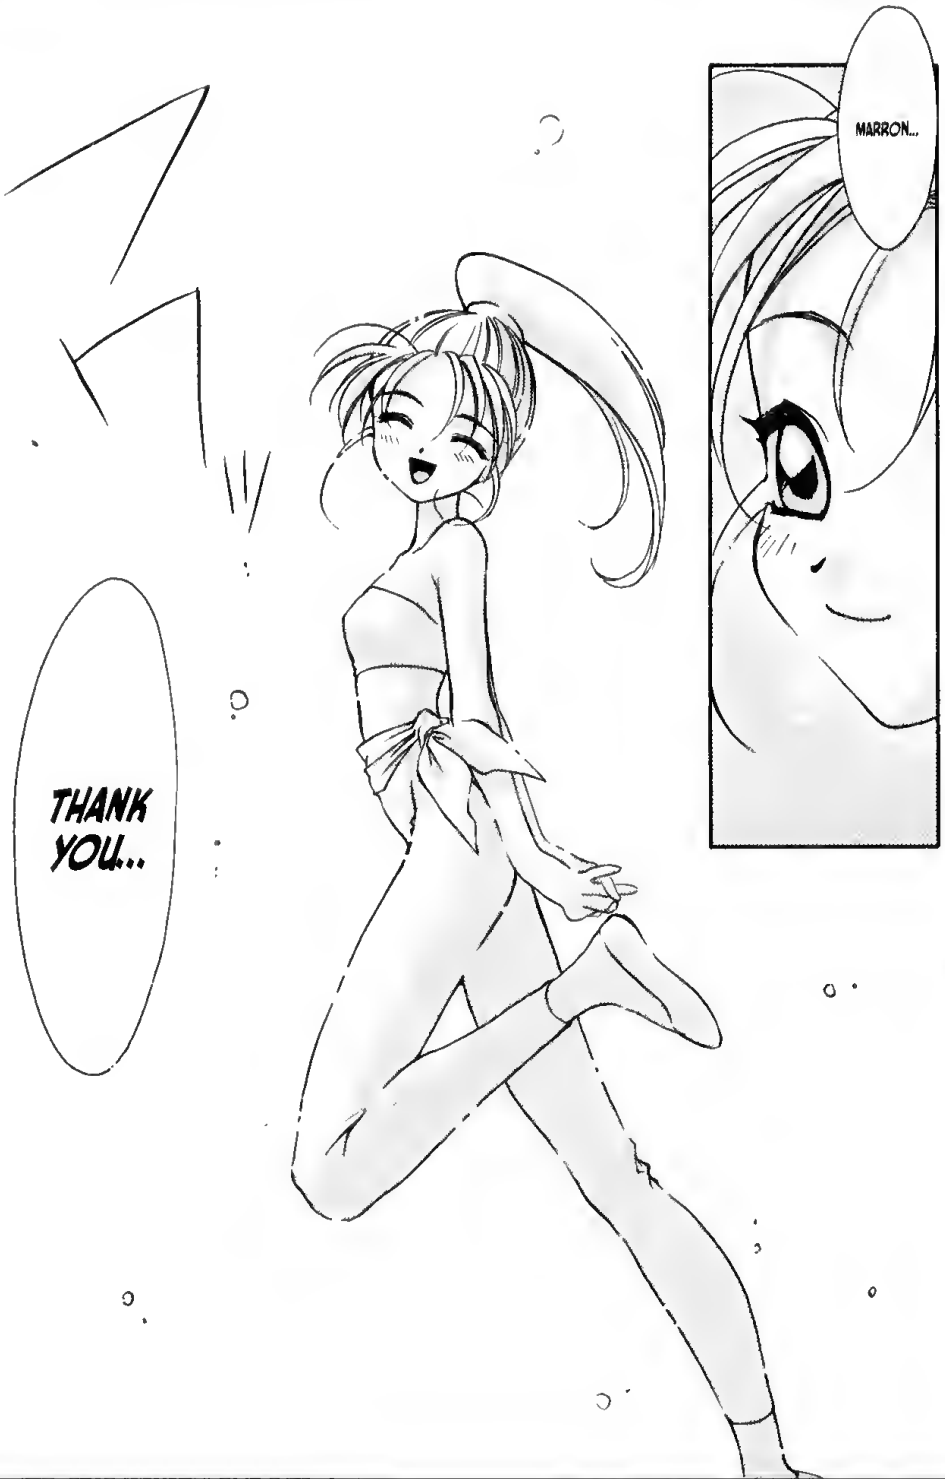


MAYBE I SHOULD MOVE ON NOW...

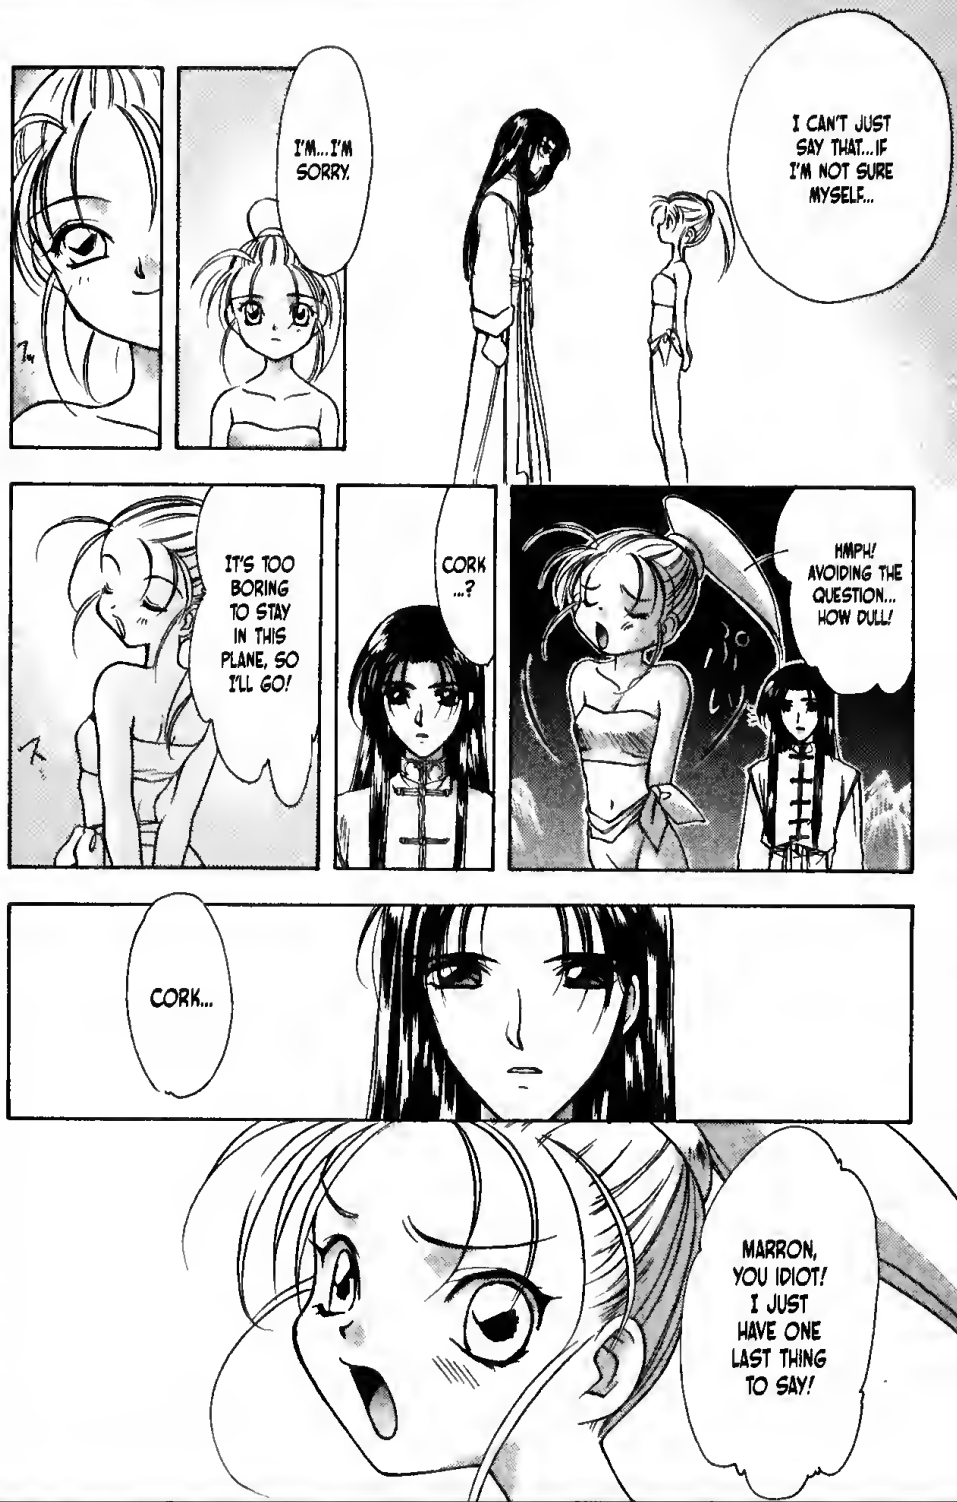


YOU DON'T UNDERSTAND GIRLS, DO YOU?
THIS IS THE TIME WHEN YOU TELL A GIRL YOU LOVE HER...EVEN IF IT IS A LIE.

THAT'S IT...!



MARRON...
THANK YOU...



I'M... I'M SORRY.
I CAN'T JUST SAY THAT... IF I'M NOT SURE MYSELF...
IT'S TOO BORING TO STAY IN THIS PLANE, SO I'LL GO!
CORK ...?
HMPH! AVOIDING THE QUESTION... HOW DULL!
CORK...
MARRON, YOU IDIOT! I JUST HAVE ONE LAST THING TO SAY!

PFFT! PLEASE! YOU COULDN'T TELL A LIE TO SAVE YOUR SOUL!
BROTHER...
YOU'RE RIGHT, BROTHER.
FACE IT-- PEOPLE CAN ALWAYS TELL IF YOU'RE LYING
YES.
LET'S GO. EVERYONE'S WAITING FOR US.

WHAT'RE YOU DOING, MARRON?
ALL THE WAY OUT HERE?
BROTHER...
SHOULD I HAVE TOLD HER I LOVED HER, EVEN IF IT WAS A LIE...?
HUH?

About Games

My favorite right now is Nights. The game, the story, the music... they all hit the right buttons for me. It's wonderful! ♡ I'd like to make things like that... (That's impossible!) The other one that I've gotten into is Dream Water Legend. I still can't find two of my Party . Recently, I've started thinking that I'd rather help make the games than play them. I could do character design or something. I'd like to design a game myself one day... a strange game...

About the Cover This Time

Sorry...
I've been off kilter recently...

About Anime and Voice Actors

I must have strange tastes. I have no interest in the popular anime or voice actors...or rather, I always find some minor one and like to spread it around. (This isn't just anime.) Then, once I've spread it around, I leave it. What kind of person am I? (But once everyone likes it, it's boring.) For that reason, I'm always attracted to minor things. Well, I do like the popular things well enough, too. I just like the small things better. When it comes to voice actors, rather than individual actors, I like the ones that seem new... and voiceovers for western films. In the famous actors, I like the ones who do kids ♡ (The cute ones.) ♡ I have a young boy / young girl complex... (Don't tell them that...) I think actors like Mika Kanai and Satomi Gohroki are good!! Also, even though she isn't doing a child's voice, Minami Takayama, who is doing Enzel's voice... her Dylandu is wonderful! ♡ Also Pietro. They're too cute ♡. (Gasp...I'm getting a little too fan-ish...) Megumi Ohgata's Roka is sooo cute ♡. Goo...I guess I do like a lot of the popular actors... But, even with a single voice actor, there are voices that I like and that I don't like. For me, maybe it's not the voice actor, it's the voice that I like...? Also, I like Masumi Hara, Maya Sakamoto, Yoko Honmei, Sayuri Sadaoka... I liked Azumi Inoue when she did Kinu in TenGai. In anime, I like the old shows. (The old Toei anime). Out of those, I especially liked Horusu Prince of the Sun and Puss in Boots. The young people out there probably won't know these. Recently...(which means from a little while ago) I liked Goldran and Yamato Takeru. But my favorite anime of all is Takurajima. I'm sure the younger people out there won't know this. I'd like to write something like that...

About Art Materials

I get a lot of questions about this. I like to know what materials other people use, as well. I like to try different things out. I don't use anything fancy, but I thought I'd write a bit about them. First, when I'm doing black-and-white manuscripts, I use commercial paper (I C's 135 size) and printer's ink. Until a little while ago, I used Sumi Ink, before that (when I was first published), I used Kaimei Lettering Ink. I change it around a lot. What will I use next?
I use a brush pen to fill in the black areas. For pen nibs, I use Zebra's round pens to draw everything. Sometimes I use Tachikawa's round pens, as well. I use Roto to draw the edge lines. For color manuscripts, I use Ruma's color ink, oils, acrylics, pastels, Rikitek, watercolors, Copic, etc. In other words, I try out lots of different things. For Sorcerer Hunters, I tend to use a lot of color ink. But recently I got a Mac, and I've been using that to do a lot of the colors. For color paper, I use different things. I change the fineness of the pores depending on the materials I'm using. I buy large sheets and cut them down to size.

About Music

I like pretty songs. I like strange songs. Dreamy songs are good, too. In any case, I really like game soundtracks. Especially fantasy-game songs. I really like the songs from the FF series, Tore-G and Square fantasies a lot. Also, right now I like Poporo Kuroisu. I like a lot of the songs they use in game commercials, too. I wonder if Dream Water Legend, Vandal Hearts and Tactics King have CDs out... Other than games, I like Enya, Clannad, Yoko Kanno, Michiru Ohjima, Shono Araii, ahh... I can't fit all of them in... Oh, I like Disney, too... I like Tama, too...

When I'm listening to FF songs, it's really nostalgic. Kanno's songs are nostalgic, too. They make me cry.

Afterword

Hello. It seems like it's been a long while (Hmm...did I do this last time?) This is my Afterword. Well...I hope there are some people out there who are waiting for this silly Omishi's silly Afterword. I wanted to write more Middle-words. I'm really sorry. Oh, and I've always meant to write this—to all of you who have written fan letters, thank you very much! ♡ I'm sorry I can't write replies to you. But I do read all of them. Thank you ♡
This time I wanted to write a lot of things, but it ended up being a lot of chit-chat about different things, so, when you have time...

PREVIEW

IT'S A BLAST FROM THE PAST AS WE GO BACK IN TIME TO WHEN DARK MAGIC THREATENED TO DESTROY THE WORLD... WE GET A PEEK AT CARROT AND MARRON'S PARENTS, ONION AND APRICOT, AS THEY LEARN (THE HARD WAY) THAT THE PATH OF THE SORCERER HUNTER IS A TREACHEROUS ONE, IN WHICH EVIL LURKS AROUND EVERY CORNER!
